

## **Curriculum Vitae of Scott Roseff, MD, FACOG**

### **Work Address**

South Florida Institute for Reproductive Medicine (IVFMD.com)  
9960 Central Park Boulevard – Suite 275  
Boca Raton, FL 33428  
Phone: 561-549-9010, Ext. 3340  
Fax: 561-549-9020

### **Education**

The UAG School of Medicine (9/1978-6/1982)

### **Post Doctoral Training**

Rotating Internship (Fifth Pathway): St. Barnabas Medical Center,  
Livingston, NJ (8/1982-6/1983)

Residency in Obstetrics and Gynecology: The Stamford Hospital,  
Stamford, CT (7/1983-6/1987)

### **Research Fellowship**

Reproductive Endocrinology & Infertility: UCSD Medical Center, San  
Diego, CA (10/1987-9/1989)

### **Licensure and Board Certification**

Medical Licensure in NY, NJ, CT, CA, and FL  
Board Certification in Obstetrics and Gynecology 12/1992  
Recertification in Obstetrics and Gynecology 6/2002  
Board Certification in Reproductive Endocrinology & Infertility 4/1994  
Recertification in Reproductive Endocrinology & Infertility 2002; 2008,  
and annually thereafter

### **Hospital Appointments**

St. Barnabas Medical Center; Livingston, NJ (1989-2006)  
Wellington Regional Medical Center; Wellington, FL (2006-2014)  
Jupiter Medical Center; Jupiter, FL (2012-2014)  
West Boca Medical Center; Boca Raton, FL (2012-present)

### **Memberships, Offices and Committee Appointments (Past\*/Present)**

Associate Editor, Endocrinology & Metabolism International Journal  
Medical Advisory Board, Everett Laboratories, Inc.\*  
Medical Advisory Board, VitaMedMD\*  
Medical Advisory Board, Serono Labs, Inc  
Speaker's Bureau, TAP Pharmaceuticals, Inc.\*  
Medical Advisory Board, International Council for Infertility Information  
Dissemination (INCIID)  
The American Society for Reproductive Medicine

American Association of Gynecologic Laparoscopists\*  
The International Society for Gynecologic Endoscopy\*  
The Society of Laparoendoscopic Surgeons\*  
The International Federation of Gynaecologic Endoscopists\*  
U.S. International Foundation for Studies in Human Reproduction Inc.\*  
Fellow, The American Congress of Obstetricians & Gynecologists  
Florida Society of Reproductive Endocrinology and Infertility  
The Academy of Medicine of NJ\*  
Essex County Medical Society\*  
NJ Obstetrical & Gynecological Society\*  
The NY Reproductive Medicine Society (Steering Committee, 1990-2005)\*  
The Endometriosis Association\*  
The Society for Reproductive Endocrinology and Infertility  
Resolve - National Chapter\*  
Resolve - New Jersey - Executive Board\*

**Other Professional Positions & Major Appointments**

Associate Editor, Endocrinology & Metabolism International Journal (2015-present)  
Adjunct Clinical Assistant Professor, Obstetrics, Gynecology, and Reproductive Endocrinology – Lake Erie College of Osteopathic Medicine (LECOM, Bradenton) (2/2014 – present).  
Founder and Former Director – Division of Reproductive Medicine, St. Barnabas Medical Center (10/1989-12/1992)

**Awards & Honors**

Patients' Choice Award, Vitals.com, 2012.

Selected amongst less than 3% of physicians in U.S. as "Most Compassionate Doctor", 2012, 2011.

Selected amongst the "Top Docs of South Florida", 2009.

Selected for inclusion in "Strathmore's Who's Who", 2009-2010 Edition.

Selected for inclusion in "Best of the U.S.", Physician Category, 2008.

Selected for inclusion in Marquis "Who's Who In America", 60<sup>th</sup> *Diamond* Edition, 2006.

Selected for inclusion in "Strathmore's Who's Who", 2004-2005 Edition.

Selected for inclusion in Marquis "Who's Who In America", 59<sup>th</sup> Edition, 2005.

Selected for inclusion in Marquis "Who's Who In America", 58<sup>th</sup> Edition,

2004.

Selected for inclusion in "Who's Who In The 21st Century" 2002-2003.

Selected for inclusion in "Guide to America's Top Obstetricians and Gynecologists" 2002-2003; 2004-2005.

Selected for inclusion in "America's Registry of Outstanding Professionals" 2002-2003; 2003-2004.

Mellon Fellow in Reproductive Endocrinology and Infertility, 1988, awarded for academic excellence in the Reproductive Sciences, for research efforts aimed at development of novel contraceptives.

Wyeth Service Award for Physician Education and Training in Norplant Contraceptive Implants.

Certificates of Service and Appreciation from Our Lady of Mercy Medical Clinic, Guadalajara, Jalisco, México, 1978-1982.

### **Research Interests**

The potential effects of various stereoisomers of inositol on abnormal ovarian reserve parameters in subfertile women, 2010-present.

Radionuclide scanning of the human fallopian tube for determination of tubal function; SBMC, 1990-1992.

Advanced diagnosis and treatment of polycystic ovarian syndrome (PCOS).

Clinical human research during Fellowship at UCSD School of Medicine (see Bibliography).

Pregnancy outcome of male factor infertility patients conceived by IVF/ET at Yale New Haven Hospital; Premature rupture of amnionic membranes in relation to fetal and maternal outcome at Stamford Hospital, 1983-1987.

Undergraduate research involved testosterone and estradiol RIA in rats exposed to varying light/dark cycles.

Carbohydrate metabolism in the wetland sedge, *Carex lacustris*.

Effects of herbal therapies in subfertile men, 1997-1998.
